

# Templot Companion

BB FlashBack Micro Player Error

! C:\TEMPTLOT\_DEV\VIDEO-FILES\your\_first\_printed\_template\_1.fbr is not a FBR file.

OK

• You need to have Templot installed on this computer in order to watch these videos. If you have Templot, please go to the [download page](#). Templot is free to download and use. If Templot can't be installed on this device, please ask on the [Templot Club](#) forum about other options.

Here is a typical printed result. Just trim the pages to the red lines, stick them down and start track building.
